

## Product Change Notice (PCN)

To all FASTRON Customers

10 April 2006

Ref no: 1004061

**Concerning Part Name:** HBCC, HBCCT, CC/137, CC/139 (32/62 version)

**Product Type:** Leaded Inductor

**Classification of Change:** SPQ per box

**Description of Change:** From 1200 pieces to 1800 pieces

**REASON:** The main advantage is for our customers, because their machine downtime is less due to a reduction in re-loading cycle of the boxes.  
The second benefit is less usage of packaging material, for which the environment will be most thankful.

---

**Expected Influence:** No influence on electrical parameter

**Product Identification:** Not applicable

**Product Availability:**

HBCC, CC/137, CC/139 - For new orders immediately

HBCCT – Effective from Wk 22

**Prepared by:** Zarima bt Baba (Engineering Manager)
